**These resources made possible by  
the partnership of these organizations:**

## We are a Funding Information Network partner

### What does that mean?

The Foundation Center is the **leading source of information about philanthropy worldwide**. It connects people who want to change the world with the **resources** they need to succeed. The Foundation Center maintains the most **comprehensive database** on U.S. (and now global) grantmakers and their grants called the **Foundation Directory Online Professional**.

**Lawrence Public Library** is a network partner, meaning we provide **free access** to valuable Foundation Center resources.

### Who does this impact?

Artists, nonprofit representatives, researchers, social enterprises, and students have the opportunity to benefit from these resources. The Foundation Directory Online Professional provides a comprehensive database of grants, including information on the foundations and public charities that provide said funding opportunities.

### How do you access the grant databases?

The Foundation Center databases are available to access for free **only at Lawrence Public Library**. Using library computers or while connected to the library's free wi-fi, you can browse the databases and other resources at
